The Best In English Contest is a unique online English language competition for secondary school students. The Contest took place on the 27th of January 2016 and was organised by the Institute for Competencies Development and the Czech-US Agency. Across Europe, there were 2 211 participating students, 99 schools, and 17 countries (excl. the Czech and Slovak Republics), and 10 985 students, 479 schools, and 19 countries worldwide.
